How You Sleep

Depends quite a bit upon what you sleep on. Ideas about mattresses have changed in recent years, and mattresses have changed to suit.

Now you find some mattresses have names, which doesn't hurt them a bit, but you can also find loads of good mattresses without names.

We have both.

We have them every size and weight and quality.

Every mattress is carefully made along hygienic lines, and is worth every cent we ask for it.

We invite you.

Home memories that are cherished most are those of the great home day-Christmas. Better than mere memory, though, is the pictured story of the family reunion, the happy children, the gay young folks, the grown-up boys and girls back home again. The pictures taken with the Christmas Kodak will give pleasure the whole year round and for all the years to come.

> Let us show you the simple Kodak way which makes picture-taking so much fun. We have Kodaks at \$5.00, others up to \$65.00.

A fine example of coolness was given the other day by a telegraph operator at Rennes, France, while the postoffice was burning. The Central postoffice in Paris received from them the following message: "The postoffice is on fire on the floor below us, where the telephone cabins have been burned. We will leave when the flames reach our floor." Soon after all were obliged to escape to the basement.

His Manly Protest. A tender-hearted youth was once present at an Oxford supper, where the fathers of those assembled were being roundly abused for their parsimony in supplying the demands of their sons. At last, after having long kept silence, he lifted up his voice in mild protest. "After all, gentlemen," he said, "let us remember that they are our fellow-creatures."

Origin of Common Names. Kings in the earliest days were merely "fathers of families," and the word is derived from the same source as "kin." Queen at first meant "wife" or "mother." An earl was an "elder" in the primitive society, while "czar" and "kaiser" are both derived from "Caesar." A dandelion is or once was "dent de leon," meaning the lion's tooth, and vinegar was once aigre," which means sour wine.

As She Saw the Notes. When my daughter was 4 years old she sat gazing at the notes on a piece of music, when she suddenly looked up and said: "Mamma, here's a lot of little boys on a wire fence," and, looking down at it, said, after a moment's thought, "and some of 'em got hats on."-Exchange.

Coming of Autumn. Sometimes autumn may be perceived even in the early days of July. There is no other feeling like that caused by this faint, doubtful yet real perception, or rather prophecy, of the year's decay, so deliciously sweet and sad at the same time.-Nathaniel Hawthorne.

Effect of Well-Decorated Room. A well-decorated room makes its impression first as a whole, as a beautiful piece of color, as a unity within which all the parts are happily related to each other.-School Arts Book.
